

Changes based on TA's feedback:

1. Changed some fonts designs.
2. The contrast ratio between text "Search" and the background color is 5.37 now. (#000000, #D65A33)
3. The course cards do not fill the box when it enters the schedule table on the right side to make it easier to read.
4. Increased the font size of the course card text on the schedule table (when they are added).
5. Only display the position of the course in the schedule
